*God, grant me the Serenity to accept the things I cannot change,  
the Courage to change the things I can, and the Wisdom to know the difference.*

---

Alcoholics Anonymous is a fellowship of men and women, who share their experience, strength and hope with each other, that they may solve their common problem, and help others to recover from alcoholism. The only requirement for membership is the desire to stop drinking. There are no dues or fees for A. A. membership; we are self-supporting through our own contributions. A. A. is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

---

**I am Responsible.**  
When anyone, anywhere, reaches out for  
help, I want the hand of AA always to be  
there.  
And for that I am responsible.

---

We attend AA Meetings to learn how the program works, to share our experience, strength and hope with each other; and because through the support of the fellowship, we can do what we could never do alone.
